

Orchid Bay Social Calendar

Hello Fellow O'Bian's,

The world is slowly opening up again and becoming more socially interactive right in time for the heat. As you know, we have a few events coming up and the first is this weekend.

This Saturday May 1st, is the FREE community shredding event beginning at 9 am through 12 pm. The shredding truck will be parking down next to the park at the end of OB Drive. Bring one file or your life's collection of taxes. They will shred it up to keep your identity and important info confidential.

Second is our Bi-Annual Garage Sale Event in three weeks on May 22nd from 8AM till 1PM. As in the past, there will be ample signage and instruction asking people to please mind the swales. Lets shake the Covid dust out and unload some stuff OB!

Last item is the 4th of July. Your neighbors have begun putting together a 4th of July war chest to purchase fire works for another great event. It was explained that every bits helps since fireworks have gotten expensive, like so many other items, do to Covid. You can Venmo or Zelle Greg Addeo with your donation or drop off cash or check at 5310 SW Orchid Bay Drive. The sooner they make a purchase the more they can purchase per lb. It is sure to be a bang!

That is all for now Folks. Lets keep it positive, stay healthy and be good to your fellow Neighbor!

Team BO
